18 and 19 August 1949

3. According to local residents, Soviet dependents had left SCHÖENWALDE on 18 and 19 August 1949. Soldiers wearing British or US uniforms allegedly passed the airfield or entered it during recent days. It was rumored among the population that the SCHÖENWALDE area was to be evacuated by the Soviets and taken over by the Allies.

20 August 1949

4. Six to eight twin-engine aircraft with double rudder assembly were parked at the airfield. One single-engine high-wing monoplane with radial engine, a large glazed cockpit, rectangular wings and fixed landing gear was observed taking off from the field.

25X1

23 August 1949

5. Four U-2 biplanes were parked in front of the hangars. No twin-engine aircraft were observed.

[REDACTED] Comment:

a. Report confirms the previously recorded transfer of the unit equipped with twin-engine aircraft from SCHOMBALLA. This transfer to STAALEN was effected between 13 and 15 August 1949.

25X1

[REDACTED]

b. No official information has been received as to the alleged taking over of the SCHOMBALLA airfield by US or British authorities. The reported rumor is probably based on a newspaper report.
